Students taking joint Programmes at partner institutions must refer to the Programme Handbook for details of module availability at the relevant institution.

All MSc's	C	Compulsory
	R	Recommended Options - mainstream options for the MSc
	P	Peripheral Option - see MSc Programme Handbook for further information before selecting

Term 1	C*	HPPF select two modules, including at least one of these two. If only one of these is selected, students must take one of the two recommended modules (1123 or 2001)
	C#	One Health students will only take some sessions, to be advised
	C~	CID students choose between 2001 & 2007 . If 2001 is selected then 1103 & 1117 <u>must also be taken</u> . If 2007 is selected then <u>either</u> 1103 <u>or</u> 1117 must be taken.
	C^	D&H and RSHR students must either take 2001 Basic Epidemiology <u>or</u> 2007 Extended Epidemiology
	*	Term 1 modules are part of a 60-credit supermodule. Credits are not awarded for individual term 1 modules.
