

The BRAIN study

The BRAIN Study Newsletter, August 2018

Rugby Football Union (RFU)/BRAIN Study Film Event

On Tuesday 5th June, an event was held at the London School of Hygiene & Tropical Medicine (LSHTM), which included a scientific update and recruitment progress by the BRAIN Study Principal Investigators, Professor Neil Pearce, Dr Valentina Gallo and Professor Damien McElvenny.

Below are the links to a short video by the RFU promoting the study and to the meeting recording and slides:
