

## Teas

### Black

*Banoffee black:* lively Sri Lankan black tea blended with real banana and sticky caramel

*Breakfast blend:* classic combination of bold Indian & brisk African black teas

*Damsel Grey:* floral and fruity interweaves elegantly in a fine Ceylon tea blend

*Earl Grey afternoon:* blend of bergamot infused Sri Lankan black tea with orange blossom and cornflowers

*Masala chai:* warm and aromatic spices with malty Assam tea - best with milk and sugar

### Green & White

*Green fields sencha:* premium sencha steamed tea from Japan, vibrantly green with umami flavour

*Green tea & peach:* luscious blend of delicate green tea with fruit pieces

*Moroccan mint:* uplifting blend of bold green tea and invigorating mint - sweetened with sugar

*Pai Mu pear:* Chinese white tea paired with refreshing pear

### Decaf

*Sri Lankan:* smooth decaffeinated black tea blend

All of the teas and tisanes are from Tea Smiths®

## Tisanes

### Roobos

*Apple & rhubarb roobos:* rich, biscuity roobos provides the perfect base for sweet apples and tart rhubarb

*Roobos & honeybush:* simple blend of coppery red roobos and honey

*Spiced blueberry pie:* rich blend of South African roobos with fruit and spices

### Herbal

*Hibiscus hipster:* fresh, zesty infusion of hibiscus and lemongrass

*Lemongrass & ginger:* zesty lemongrass and fiery ginger root

*Liquorice limey:* sweet liquorice root centres in this infusion with lime peel and peppermint

*Raspberry & mango:* classic pairing of tart raspberries with Sweet mangoes

*Sleepy head:* floral infusion of sweet chamomile flowers with rose petals and lavender

*Sour cherry & lemon:* cherry and lemon unite to deliver an intense hit of sour flavours

*Tropi-calypto:* carnival of exotic flavours - hot or iced

*Very berry fruits:* a medley of berry flavours clash in this vibrant infusion

\* also known as herbal teas, tisanes are infusions of leaves, bark roots, fruits & spices.
