

BHF PROTECT-TAVI

NEW SITE!

A warm welcome to our latest site, **Aberdeen Royal Infirmary**. We now have 29 open sites!

BHF PROTECT-TAVI BONANZA!

During the month of September we launched the **BHF PROTECT-TAVI Bonanza**. It's now time to announce the winning sites!

Sites that achieve their best recruiting month in September

- Derriford Hospital
- Royal Papworth Hospital
- Northern General Hospital

Sites that recruit over 6 participants in September

- John Radcliffe Hospital
- King's College Hospital
- Leeds General Infirmary
- Liverpool Heart & Chest Hospital
- New Cross Hospital
- Royal Sussex County Hospital
- Southampton General Hospital

The site that recruits the 2800th participant

- Bristol Heart Institute

The top three sites with the highest conversion rates in September

TBC. Please get your screening logs in by Friday 14th October to be in with a chance of winning

NIHR THAMES VALLEY HEALTH RESEARCH AWARDS

On Wednesday 28th September, the Thames Valley Health Research Awards was held. This celebrates the work of staff supported by the NIHR Clinical Research Network Thames Valley and South Midlands. BHF PROTECT-TAVI was awarded **Study of the Year**, alongside the PANORAMIC trial.

This is an award for all who have contributed to BHF PROTECT-TAVI. Thank you to all who have helped to make the trial such an incredible success.
