I understand that if, because of an alteration, it transpires that excess grant funding has been paid, the amount of the excess will be refunded by me to the institution.
- We expect students to adhere to the behavioural guidelines and regulations of the School. Funded students who do not may be at risk of losing their funding. For further information on these guidelines and regulations, please read through the [General Regulations for Students](#).

When submitting the report, the recipient also gives consent to the School to share the document with the donor, if they so wish.
- Where a studentship has been made possible by a private gift to the School, the award recipient is expected to make themselves available to meet with the donor, where desired, and write a short (50-100 word) thank-you letter. The Development Office will provide guidance on suggested content to the relevant studentship recipients following initial registration.
