What your cover entails.

- 1. Electronic roaming membership card:** The UAP-OM Medical cards are biometric cards; they change currencies across the East African region. Members will register their fingerprints the first time that they receive treatment at any of the registered service providers. For children aged below 5 years, 2 people (parents / guardians) will register their fingerprints on behalf of the child on the first visit to any of the service provider so that when he/she is sick, any of parents can take the child to a valid provider.
- 2. Real time monitoring of your own Benefits:** The cards are linked to an electronic SMART system which enables members to monitor their limits in real time. Please ensure to always sign the claim form after the final cost of the treatment has been indicated on the form.
- 3. SMS Alerts;** The member will receive SMS Alerts each time a claim is incurred as long as an updated contact (mobile number) is availed.
- 4. 24 HOUR Helpline:** Emergency helpline with real time solutions. Dedicated call center with toll free access. **Call us for free on no. 0800132700**
- 5. Telemedicine Services-** Through a Partnership with The Medical Concierge Group- Follow up to ensure Quality care is provided, Services (tele health consultations, labs

and drugs delivered at the comfort of your home or offices in Kampala) through the Rocket Health Clinic. **Call us for free on no. 0800220740**

6. Chronic Disease Management Program-Enroll and Follow up to ensure good control through Rocket Health on 0800220740. Enroll using link below;

<https://forms.gle/USJdLtbYyHkknGZG7>

7. E-Newsletters- Monthly newsletters on pertinent health issues.

8. Smart APP- shows member balances, frequently asked questions, service provider lists, connects to google maps.

9. Wellness Programme: We have a vibrant health promotion programme run in conjunction with the scheme administrators to keep members healthy and not just wait for them to fall ill. (Health Camp / Health Promotions on site), aerobics classes on site.

10. International Cover (on Reimbursement) for the first 6weeks of travel outside East Africa on any one trip

11. Free Medical Card: Medical cards are given for free, however replacements are charged at UGX 20,000 per card. Identification and billing at the hospital will be facilitated using fingerprints.

12. Eligibility: Person(s) aged between birth and 70 years.

13. Dependants: Means one legal spouse of the member, own unmarried children, adopted and foster children who are dependent upon the member for support, provided always that such children are aged not less than one day (upon discharge from hospital). Maximum dependents age is determined by the MRC HR.

14. Newborn enrollment: Children are covered from birth after 37 weeks of pregnancy and discharge from hospital. Members need to inform the HR office and complete an application form.

15. UAP-OM covers both Branded and generic drugs as long as they are prescribed by your doctor.

16. Direct Access to all the Top Leading Specialist within Uganda.

17. Referral treatment outside Uganda subject to terms and conditions restricted to Kenya, South Africa, India, with pre-authorization prior travel.

18. Credit services in the East African Region with our roaming card.

19. Credit services in India with a chain of more than 50 hospitals.

20. Credit services in India with a chain of more than 50 hospitals.

21. Short term family planning methods are covered.

22. Accessibility to the Top Hospitals and widest network of over 200 Clinics within Uganda and several more upcountry and within East Africa. Wide network of Pharmacies in Kampala

23. Reimbursements within 14 days: It is recommended that members always seek services from the appointed providers however, in the event that services are sought outside the network during an emergency, UAP-OM must be informed within 24-48hrs. The following supporting documents will be required;

- Duly filled claim form
- HR letter
- Original receipts
- Copies of treatment notes

EXCLUDED CONDITIONS

- Permanent Family Planning, Infertility & Impotence
- Alcohol and Substance Abuse.
- Weight management treatments and drugs.
- Cosmetic Surgery & Treatments.
- Nutritional supplements unless prescribed as part of medical treatment of a specified medical condition
- Self-preferred or self-prescribed treatment.
- Treatment outside the appointed panel of service providers (unless pre-authorized).
- Alternative treatments (acupuncture, chiropractor, homoeopathy etc.) and herbal medicine.
- Diagnostic equipment (e.g. Glucometers, BP machines etc.)
- Dentures, crowns and bridges.
