1. SCOPE

1.1 This policy applies to all LSHTM staff.

2. PURPOSE AND OVERVIEW

2.1 To set out the security and other conditions which must be followed by all cardholders when making use of LSHTM's Corporate Credit Card facility.

3. GENERAL OVERVIEW AND INTRODUCTION

- 3.1 LSHTM recognises that there are advantages to be gained by using a Corporate Credit Card as part of its procurement process. LSHTM issues corporate credit cards to employees in certain circumstances.
- 3.2 Corporate credit cards will only be issued to LSHTM employees who are salaried members of staff, and who are able to demonstrate that the issue of the card is required in their duties.
- 3.3 In order to receive a corporate credit card an employee must first submit a business case detailing the business requirement for the card and why other methods of payment are not deemed appropriate. It should be noted that the majority of expenditure must be incurred through the normal procurement routes, primarily purchase orders. The use of corporate credit cards for payment is only for exceptional expenditure which cannot be met by the normal procurement routes.
- 3.4 Please note that university corporate cards are provided for *business use only* and purchases made using a Corporate Card must comply with all associated policies and procedures, in particular LSHTM's [Expenses Policy](#) and [Procurement Policy](#). These are the policies which outline what is deemed to be appropriate business spend and it is assumed and expected that all cardholders will have read and understood these policy documents in detail. The information contained therein is not replicated within this document.

- 3.5 LSHTM expects all card holders to treat their corporate card with the same levels of security and responsibility as they would treat their own personal credit card. Failure to do so will be interpreted as a breach of this policy and may result in the facility being withdrawn.
- 3.6 This policy outlines the circumstances in which it would be appropriate to issue a member of staff with a corporate credit card, the application process and the principles to ensure the proper use of LSHTM corporate credit cards. This policy also outlines cardholder responsibilities.
- 3.7 LSHTM's current corporate credit card provider is NatWest bank. This will be reviewed periodically to ensure value for money and an appropriate service which meets LSHTM's needs is received.
- 3.8 Cardholders must submit their expenditure once a month. Statement notification will be sent out on the 13th of each month. Employees must complete and upload all receipts within 10 working days and approval must be before the end of the month, detailing the relevant coding and obtain the necessary approval. If cardholders require an extension, such as due to travel commitments/holiday they should contact creditcard@lshtm.ac.uk in advance to request an extension. It is expected in these cases that the reconciliation will take place within 5 working days of their return.
- 3.9 Card usage will be reviewed annually to ensure it is still appropriate for a card to be held.
- 3.10 Compliance with this policy is mandatory. Failure to follow this policy will result in the card being withdrawn and may result in disciplinary action. A serious breach of the policy may constitute gross misconduct and lead to dismissal.
- 3.11 Finance and Procurement will consider each application received and determine if a card is legitimately required. The below will be carefully considered in deciding whether a card will be issued.

4. ISSUING OF CREDIT CARDS

- 4.1 Corporate credit cards will only be issued to LSHTM employees who are able to demonstrate that the credit card will aid in the effective and efficient exercise of their official duties. Factors that will influence the decision to issue a card to a particular employee include:
 - The nature and extent of minor purchases of goods and services that may be undertaken.
 - The frequency and nature of domestic and international travel that may be undertaken in the course of official duties.
 - The need to meet the cost of official "out of pocket" expenses (including certain approved entertainment/hospitality cost).
- 4.2 The Expenses Policy provides that the majority of business expenditure must be incurred through procurement routes, primarily through raising a purchase order. If there

are other reasons why the LSHTM procurement routes in the policy are not appropriate, an application for a corporate credit card can be submitted to the Finance Department.

- 4.3 A business case must be submitted to the Finance and Procurement department using Service Desk. This must include:
- The applicant's position title;
 - Justification for issue (that adequately explains the rationale for the issue of a card, in line with 2.1 above);
 - Proposed credit limit (based on anticipated usage of the card and the likely expenditure to be incurred);
 - Approval of the business case by line manager
- 4.4 Approval to issue a corporate credit card will be made by the Finance Director, or his/her delegated alternate. If approved, the credit card administrator will liaise with the applicant with respect to the completion of the NatWest Bank Cardholder Application form for the new corporate credit card account and the physical issue of the card.
- 4.5 The new card will be signed for by the card holder to acknowledge receipt of the card.
- 4.6 Finance will maintain a Register of all card holders with the following details:
- Name of each card holder
 - Work address and telephone number
 - Card account number
 - Monthly expenditure
 - Credit limit
 - Card expiry date
- 4.7 The registered address for University corporate cards is London School of Hygiene and Tropical Medicine, Keppel Street, London, WC1E 7HT. This address should be used when asked for the 'invoice' or 'registered' address. Your own School or Unit address may be used for the 'delivery' address. Please note that using an incorrect registered address when making a purchase, may result in the transaction being declined.

5. RESTRICTIONS ON THE USE OF CORPORATE CARDS

- 5.1 Purchases made using your corporate card are governed by the [Expenses Policy](#) and [Procurement Policy](#). Purchases made out with these policies may not be authorised. Unauthorised spend should be reimbursed as quickly as possible.
- 5.2 At no time should cash withdrawals be charged to your University corporate card. If you require a cash advance please contact Accounts Receivable for Cash Advance policy. If this is salary related - this must be requested through HR-Payroll.
- 5.3 At no time should personal purchases be deliberately charged to your corporate card. If this has been done in error, then repayment should be made within 10 working days.

- 5.4 A credit limit for the card will be set at the time of issue and cardholders will be notified of their limit. The cardholder is responsible for ensuring that spend does not exceed this pre-approved limit. Attempts to purchase beyond the agreed limit will be declined.
- 5.5 Cardholders may request an increase to their card limit, which will be considered by the Finance Director, or his/her delegated alternate. Requests should be made to the credit card administrator via creditcard@lshtm.ac.uk. Please note that the cardholder's line manager must approve all requests for increased limits prior to consideration by the Finance Director.
- 5.6 Corporate Cards can be used for the following types of purchases:
- Low value / one off purchases (normally below £250) of goods or services where there is no alternative existing agreement in place for those goods or services.
 - Purchase of incidental travel and subsistence during a trip on LSHTM business.
 - Conference registrations.
