**Annual Review of the Academic Manual**

The LSHTM Academic Manual was introduced in 2019-20 bringing together all the academic regulations and procedures which constitute LSHTM's framework for quality and standards for credit-bearing taught provision, research degrees and special programmes. The Academic Manual consists of 11 Chapters all of which are reviewed annually and published as separate documents on LSHTM website together with a summary of amendments. With the exception of most minor editorial changes (e.g. typos, formatting and spelling or grammatical corrections), all revisions and amendments are noted and approved by Senate before the start of each academic year.

**This document is available electronically, along with copies of relevant forms, on the [Quality & Academic Standards webpages](#).**

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

## **8b.1 Introduction**

8b.1.1 These regulations apply to students registered on Distance Learning credit-bearing programmes at Level 7 of the [Frameworks for Higher Education Qualifications of UK Degree-awarding Bodies](#) (FHEQ) at the London School of Hygiene & Tropical Medicine (LSHTM), including Master's degrees, Postgraduate Diplomas and Postgraduate Certificates.

8b.1.2 The **regulations for intensive postgraduate taught degrees** can be found in [Chapter 8a of the LSHTM Academic Manual](#).

8b.1.3 All students register for the award and re-register annually for the modules they are studying. Students are bound by the regulations in force each year of registration.

8b.1.4 This chapter sets out principles of assessment and rules for making awards for the following programmes offered by the University of London Worldwide under the academic direction of the LSHTM:

- Clinical Trials (CT)
- Demography and Health (DH)
- Epidemiology (EP)
- Global Health Policy (GHP)
- Health in Humanitarian Crises (HHC)
- Infectious Diseases (ID)
- Public Health (PH)

## **8b.2 The Admission of Students to Taught Postgraduate Programmes**

8b.2.1 In order to be admitted to a Taught Postgraduate degree programme of LSHTM, an applicant must meet LSHTM's minimum entry requirements, which can be found in LSHTM's [Postgraduate Taught Admissions Policy](#).

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

8b.2.2 Application for admission to a programme and registration shall be undertaken in accordance with procedures specified by LSHTM and the University of London Worldwide.

8b.2.3 Satisfaction of the criteria referred to in paragraphs 8b.2.1 to 8b.2.2 does not guarantee admission to LSHTM and the University of London Worldwide.

8b.2.4 Further to these regulations, LSHTM and the University of London Worldwide have a separate [Postgraduate Taught Admissions Policy](#) and [English Language Requirements Policy](#).

### **8b.3 Registration for Distance Learning Programmes**

8b.3.1 Refer to the Registration section within the [University of London General Regulations](#).

### **8b.4 Assessment and Award Scheme**

8b.4.1 In the context of these regulations, 'assessment' refers to all types of assessed work within a Distance Learning (DL) taught postgraduate programme of study at LSHTM. This includes all varieties of module assessments including formal LSHTM examinations and Project Reports.

8b.4.2 The overall aim of assessment is to facilitate students' learning regarding key elements of each programme and module, and to test that the student has reached the minimum standard acceptable for the award. LSHTM assessment strategy sets out to:

- i. Measure the achievement of specified learning outcomes in a valid, robust, reliable and fair way.

**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

- ii. Identify whether each student has attained a minimum level of achievement necessary to pass the programme or module, and identify those who fail to achieve that level.
- iii. Support desirable learning strategies, including to focus learning on the important aspects of each programme or module and provide a means of encouragement.
- iv. Provide feedback on performance so that learning may improve.
- v. Interfere as little as possible with other important, but ungraded, aspects of students' educational experience.

8b.4.3 LSHTM postgraduate taught programme assessment will test a range of knowledge and skills at Level 7 of the [Higher Education Qualifications Framework for England, the Office for Students \(OfS\) Sector Recognised Standards](#), and the [Master's Degree Characteristics Statement](#) – testing and rewarding critical appreciation and the ability to apply what has been learnt, rather than the passive reproduction of memorised facts.

8b.4.4 At LSHTM assessment is an integrated learning experience and not used merely as a grading process. In line with the wider Higher Education sector, LSHTM uses both summative and formative assessment to support learning:

- **Formative assessments** result in feedback on a student's performance and is designed to help them learn more effectively and to maintain and improve their progress. Marks given to formative assessments do not contribute to any credit or the final mark, grade or class of degree awarded to the student.
- **Summative assessment** is a formal assessment of a student's work which contributes to the final result.

8b.4.5 Assessment reflects the intended learning outcomes and content of each programme or module, and cover both essential outcomes and the range of potential learning that students may be expected to demonstrate. Key details about assessment methods and requirements are set out in programme specifications for each award-bearing programme, and in module specifications for modules.

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

- 8b.4.6 Assessment grading will be criterion-referenced, testing achievement against a specified set of abilities, skills and behaviours). Sufficient information about grading criteria is made available with each assessment task so as to give both students and markers a broad understanding of what is required to pass or do well.
- 8b.4.7 Grading criteria should ensure that all students achieving a minimum standard will pass the relevant programme or module, subject to full participation.
- 8b.4.8 Feedback to students about in-course assessment performance is provided to students in sufficient detail to help students learn and improve for the future.
- 8b.4.9 The assessment process is subject to rigorous quality assurance procedures, including moderation by nominated internal moderators and sampling by External Examiners.
- 8b.4.10 Any suspected assessment irregularities (including, plagiarism, cheating or fraud, as defined by LSHTM) will be subject to procedures and penalties as detailed in the Plagiarism and Assessment Irregularities Policy in [Chapter 7, General Academic Regulations of the LSHTM Academic Manual](#).
- 8b.4.11 Where assessment of individual students has been affected by unforeseen extenuating circumstances, this should be taken into account according to the procedures set out in the Extenuating Circumstances Policy in [Chapter 7 of the LSHTM Academic Manual](#).
- 8b.4.12 Students who fail assessments such that they fail to gain credits for a relevant module or degree element should be granted a re-sit opportunity by the relevant Board of Examiners in line with the Re-sits Policy for Distance Learning Students detailed in section 8b.9.11 of this chapter.

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

**Assessment structures and methods**

8b.4.13 LSHTM operates a credit system covering the bulk of award-bearing and modular provision. Under this, credits are gained for passing individual modules or degree elements. Degree awards are determined on the basis of accumulating the required number of credits as specified in [Chapter 2, Qualifications and Taught Credit Framework of the LSHTM Academic Manual](#).

8b.4.14 For degrees delivered by DL all programmes offer awards of Master of Science (MSc), Postgraduate Diploma (PGDip), and Postgraduate Certificate (PGCert).

8b.4.15 For degrees delivered by DL, all programmes will be composed of assessed modules, Some programmes may also include a final project report.

8b.4.16 The Board of Examiners will set marking criteria/schemes for assessments and the research project.

8b.4.17 Oversight of individual module assessment is delegated by the relevant Boards of Examiners to individual Module Organisers, who will set and agree specific marking schemes for their modules in advance.

**General assessment principles**

8b.4.18 Grading scales and criteria

LSHTM uses a standard assessment system, marking against six integer grade points (GPs) on a scale from 0 to 5. Grades 2 and above are pass grades, whilst grades below 2 are fail grades. Table 1 outlines the standard descriptors which describe the level of work required to attain each grade.

8b.4.19 Marking schemes

## LSHTM Academic Manual 2023-24

### Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations

More detailed criteria ('marking schemes') may be set for individual assessments to enable the placing of assessment in each grade category. The descriptors in Table 1 are intended as a general reference point to ensure consistency, but more specific requirements may differ from assessment to assessment.

#### 8b.4.20 Double-marking

All summative assessed work will be double-marked and any discrepancies between markers resolved before a grade is agreed. Pairs of markers must agree any grades which are formally reported to students.

#### 8b.4.21 Principles for combining grades

Where an assessment has a number of elements which are individually double-marked, these element grades may be averaged together (according to a weighting set out in the marking scheme) to generate a grade point average (GPA). Results should be reported to students (and if necessary, rounded) to two decimal places.

#### 8b.4.22 Award components and sub-component

The individual components of each programme or award are modules. Modules may be split into different sub-component – for example, an 'assessed assignment' sub-component and an 'examination' sub-component for a particular module.

8b.4.23 Grades for modules overall

Percentage or numeric marking schemes may be used for some elements of work. In such cases, percentages or numeric mark totals should be converted to a GP on the standard scale, which can be taken forward for combination with other GPs or GPAs. (See Table 3 for the conversion table used by Clinical Trials.)

8b.4.2 Exam Boards must approve specific marking schemes for each assessment at the point where the exam questions or assessments are approved.

8b.4.25 Where an assessment question is being marked with an overall integer GP, if the two markers have awarded different grades, then the difference must be reconciled by discussion between them, not in some way averaged away.

8b.4.26 Where a numeric marking scheme is used, and the exam paper marking scheme requires that an integer GP be awarded for the question, the two markers will agree an integer grade for each question.

8b.4.27 In some cases marking schemes may specify that individual exam questions be marked numerically, and scores combined into a numeric result for the overall paper which is then converted to a GPA for the paper (this conversion should produce a GPA and should not round to an integer GP).

8b.4.28 Module assessment details are contained within the relevant Module Specification.

8b.4.29 Where a module has changed assessment method and students registered in a previous year for the module have not completed all

**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

elements of assessment for the module or are required to resit some/all of the module assessment, such students will normally be required to sit the assessment method set in the year they first entered to be examined in the module.

**8b.4.30 Project Reports**

- 8b.4.31 All students are expected to comply with the LSHTM Good Research Practice policy. The policy provides a comprehensive definition of research misconduct, of which fraud is one component. Research misconduct takes on a variety of guises, from fraud through breaches of ethics approvals. All Project Report work must abide by the ethical requirements of LSHTM and any involved external organisations. It is the student's responsibility to seek the approval needed from external organisations. If the work requires ethical approval, this must be in place prior to beginning those elements of the Project Report. Any work carried out in breach of ethics requirements is liable to be given an automatic fail (0) grade.
- 8b.4.32 MSc projects (assessed wholly by a Project Report) will be marked by two markers who will award an agreed GP (5, 4, 3, 2, 1 or 0).
- 8b.4.33 MSc projects for Infectious Diseases will be marked using a 3 subcomponent marking scheme. The average of the three agreed subcomponent marks will be the final GPA
- 8b.4.34 For the MSc EP programme, the additional qualifying examination EPM400 (Final Examination) will be marked by an unseen written paper as set out in paragraph 8b.4.24 above.
- 8b.4.35 In order to gain credits for a particular award component, students must normally pass that component with an overall GP or GPA of at least 2.00. Otherwise, credit may only be awarded using the credit compensation rules detailed in the Award Scheme (Chapter 2).

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

- 8b.4.36 Students cannot gain credits for a particular award component if they obtain an overall GP or GPA of less than 1.00 for any of:
- The award component overall
  - The assessed assignment element (where there is an assessed assignment)
- 8b.4.37 Where a student fails to gain credits for a module, they have the option to either resit the failed component of the module assessment, as outlined in the Resits Policy for Distance Learning Students in section 8b.9.11 below, or substitute the failed module with an alternative elective module, as outlined in paragraph 8b.9.11.2 below in order to gain credit.

**Table 4 Conversion scheme used by Epidemiology, Infectious Diseases IDM101**

The mean percentage of all questions for an exam paper is calculated, and the following formula is used, subject to the discretion of the Board of Examiners, to convert this mean percentage to an overall grade point for the module exam paper:

Mean percentage (P)	Grade point (GP)
If $P \geq 80\%$	GP = 5
If $40\% \leq P \leq 79\%$	$GP = (P - 30)/10$
If $P < 40\%$	GP= 0

## 8b.5 Regulations for Examinations

8b.5.1 Information about Distance Learning (DL) Examinations at the University of London (UoL) can be found at <https://london.ac.uk/current-students/examinations>

8b.5.2 DL Students are notified of their admissions notice by the UOL which is downloadable from the UOL Student Portal. Information about examination entry can be found at <https://london.ac.uk/current-students/examinations/examination-entry-deadlines>

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

8b.5.3 The Board of Examiners may permit the use of books, notes, instruments or other materials or aids in specific examinations (written, practical, oral or similar). If this is permitted the requirements will be set out in the instructions for the examination. Upon entry to the examination room, all other belongings (including bags and coats) not expressly permitted for the exam must be placed at the front or side of the examination room well away from the students and in sight of the invigilators.

8b.5.4 Except as provided in paragraph 8b.5.3 above, no books, notes, instruments or other materials or aids whatsoever may be introduced into an examination room or be handled or consulted during an examination. Any such materials or aids in the possession of the student on entry to the examination room must be deposited immediately with the Invigilator.

8b.5.5 Personal digital assistants (PDAs), mobile phones or other devices which may have a wireless or internet connection are strictly forbidden.

8b.5.6 Any unauthorised materials or aids introduced by a student into an examination room must be given to the Invigilator upon request. Any aids may be handed over by the Invigilator to LSHTM authorities which may make copies and the original aids (together with any copies) may be retained by LSHTM at its absolute discretion.

8b.5.7 Students shall not, unless expressly so authorised, pass any information from one to another during an examination nor shall any student act in collusion with another student or other person or copy from another student or engage in any similar activity.

8b.5.8 At any examination by written papers taken under supervision or where the regulations for any qualification provide for part of an examination to consist of 'take-away' papers, essays or other work written in a student's own time, coursework assessment or any similar form of test, the work submitted by the student must be their

**LSHTM Academic Manual 2023-24**

own and any quotation from the published or unpublished works of other persons must be duly acknowledged.

8b.5.9 Failure to observe any of the provisions of paragraphs 8b.5.1 – 8b.5.8 above will constitute an examination offence. All examination offences will be treated as cheating or irregularities of a similar character under LSHTM’s Assessment Irregularities Policy as detailed in [Chapter 7 of the LSHTM Academic Manual](#). Under these regulations students found to have committed an offence may be excluded from all further examinations of LSHTM.

8b.5.10 All answers to examination questions must be written in English.

8b.5.11 Examination scripts are the property of UoL and will not be returned to students.

## **8b.6 Internal Moderation**

### **Distance Learning Module Moderation Policy**

<b>Related Policies &amp; Procedures</b>	<a href="#">External Oversight</a>
--	------------------------------------

#### **8b.6.1 SCOPE**

8b.6.1.1 This section sets out LSHTM’s formal policy and procedures for reconciliation and moderation of module assessment tasks and grades. It lists what actions need to be taken, by whom and when. All staff involved in these processes should be aware of these details.

8b.6.1.2 All modules which form part of the LSHTM’s main (Master’s-focused) module portfolio should be covered by this policy – though procedures work slightly differently for London-based and Distance Learning (DL) modules.

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

8b.6.1.3 Modules which are run primarily as part of a non-Master's programme and which do not form part of the main module portfolio should also follow the approach outlined in this policy. If individual programme regulations make a different approach more appropriate, this should be specifically agreed by the relevant Board of Examiners and the Senate Postgraduate Taught Committee (SPGTC).

### **8b.6.2 MARKING POLICY**

8b.6.2.1 All staff involved in the moderation process should be aware of the LSHTM's marking practices and procedures.

8b.6.2.2 **Board of Examiners' responsibilities for individual modules:** Each module has been allocated to a Board of Examiners, to take responsibility for assuring the standard and practice of assessment on the module (this includes assessment-setting, as detailed in the [Board of Examiners Guidance](#)). The allocation of modules to Boards is agreed annually by the SPGTC, and details for the current academic year can be found [here](#). Individual Intensive modules may be taken by students from across a number of programmes, but will be allocated to one named Board of Examiners (even if the module is seen as equally core to other programmes). DL modules are generally moderated by the Board for the programme to which the module code prefix refers.

8b.6.2.3 **Reconciliation of grades:** All assessments are marked by a first and second marker, with the first marker responsible for compiling feedback. When the first and second markers disagree about the grade to be given to a particular piece of work or question, then the differences must be reconciled by discussion between them, and not averaged away. It is considered that through discussion the true benefits of double marking – ensuring that every grade awarded truly represents the quality of the work submitted – can be obtained. Where the first and second markers strongly disagree, they should seek additional input from a senior marker. A senior marker is an experienced marker with relevant subject expertise and may include, but is not restricted to, the Module Organiser (MO). The senior marker's role is to provide additional neutral perspective to aid the considerations of the first and second markers in reaching an agreed mark. The senior marker may review the work in question in order to

**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

provide informed insight but should not undertake to mark the work. In the event that the first and second marker are still unable to agree a mark, even after consulting with a senior marker, the Exam Board Chair should be advised of the impasse and the Chair will take the final decision on the mark to be awarded.

**8b.6.2.4 Moderation of grades:** For modules which include a specific summative assessment, when all work has been graded it is the responsibility of the appointed Board of Examiners to moderate the grades. As detailed at paragraphs 8b.6.6.2 and 8b.6.7.1 below, under 'Action by Moderators', this entails:

- i) Reviewing the assessment task, marking guidelines and grading criteria.
- ii) Reviewing a sample of assessed work.
- iii) Reviewing the distribution of grades for the module as a whole.
- iv) Requesting the Board of Examiners to direct any re-marking of selected sets of work if problems are identified.
- v) Finally, confirming the validity of all grades by means of a Module Moderator's Report.

**8b.6.2.5** Moderation will normally be carried out by the relevant Exam Board Chair, but may be delegated by the Chair to a nominee. Persons undertaking this role are referred to as the 'Moderator' in this policy. Chairs of the Boards of Examiners should report back to their Board on how moderation work has been divided or allocated.

**8b.6.3 MODERATION FOR DL MODULES**

**8b.6.3.1 Scope:** Procedures for moderation of DL module grades should apply equally to coursework assignments and to exams, although it will be at the discretion of individual Boards or Moderators as to whether these are looked at together or separately.

**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

8b.6.3.2 **Allocation of responsibility:** Chairs of the Boards of Examiners will normally carry out the moderation, or will delegate this task to a nominee who is another member of the Board of Examiners, of the different modules under their remit. This is to ensure an appropriate spread of workload, so as not to overburden individual members of the Board, and to ensure that modules are reviewed by a subject expert.

8b.6.3.3 **Role and responsibilities of Moderators:** Moderators' specific responsibilities are to scrutinise the consistency and standard of assessment marking for both assessed assignment scripts and exam scripts from their designated module(s).

- Moderators may not alter marks. Moderator may make recommendations to the Board of Examiners to revisit marking if they have sufficient justification for doing so.
- The role of the Moderator does not in any way replace the responsibilities of the Board of Examiners or External Examiners, who still have ultimate oversight of all assessments for a programme so as to assure overall standards. Rather, moderation provides a mechanism for thorough quality assurance of assessment, at the same time spreading the workload amongst a number of individuals.

8b.6.3.4 **Moderation timescales:** DL module moderation is expected to be completed **between the end of exam marking and the Boards of Examiners sitting in July or in the autumn to ratify module grades.** While this is a short window, it is generally consistent with deadlines for Intensive modules.

- Moderation should ideally be completed before meetings of any Board of Examiners for programmes that included students who took the module assessments that year; and should always be completed ahead of the meeting of the Board responsible for the module.
- Moderation of DL coursework assignments may be undertaken separately from, and ahead of, moderation of DL exam scripts. This can help reduce the workload required during the peak period between exams and Board of Examiners meetings.

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

**8b.6.4 NOMINATIONS OF MODERATORS FOR DL MODULES**

8b.6.4.1 The Exam Board Chair will normally carry out the moderation of modules or will delegate this task to a nominee who is another member of the Board.

8b.6.4.2 Moderators must be members of that Board of Examiners. If a potential Moderator is identified who is not currently a member of the relevant Board then they may be co-opted as a new member. External Examiners are not involved in the module moderation process.

8b.6.4.3 Moderators should not normally have been involved in any of the assessments, e.g. question-setting or marking, for the module they are moderating. However, it is permissible for them to have had some involvement (especially on specialist areas where it may be very difficult to identify staff who have not already been involved in some way) if a strong argument can be made that they would otherwise be the best Moderator for this material.

8b.6.4.4 MOs must not act as Moderator for their own module(s). In the event that the Exam Board Chair is also MO for a module under the authority of that Board, moderation must be delegated to an alternate.

8b.6.4.5 The Exam Board Chair should advise the Distance Learning Team within the Programme Administration Office of who the Moderator for each module will be, ahead of the process commencing.

**8b.6.5 MARKING PROCEDURE TO GENERATE PROVISION GRADES**

8b.6.5.1 **Action by Markers:** All assessed work for the module must be double-marked and reconciled in line with formal LSHTM policy. Marks are entered online, and the agreed mark confirmed by both markers, via the Assignment Management System (AMS). First markers also write feedback about each candidate's performance in coursework tasks.

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

8b.6.5.2 Penalties are applied to late submissions and assessments exceeding the maximum word count. The penalties will be applied at marking and approved by the Taught Programme Directors (TPDs).

**Exceeding the Word count**

8b.6.5.3 The maximum word count for individual assessments will be made known to students in advance.

8b.6.5.4 Penalties for exceeding the maximum word count may apply to any summative assessment: module assessments, exams and research projects.

8b.6.5.5 For module assessments and exams where a maximum word count is set and for projects, the following penalties will be applied by the Taught Programme Directors (TPDs).

- Submissions < 10% over length will be graded using the full GP criteria and no penalty will be applied
- Submissions > 10% over length will be graded using the full GP criteria and a 1 grade point deduction will be applied

8b.6.5.6 In the event the assessment submitted receives a grade 2 or lower on academic grounds, a 1 grade deduction will not be applied even if it is > 10% over length

8b.6.5.7 There will be no penalty for students who use less than the maximum word count limit and have demonstrated that they have met the required assessment objectives.

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

**Penalties for late submission**

8b.6.5.8 Penalties for a late submission of assessment will be applied to all summative assessments, both module assessments and projects that do not meet either the standard deadline or extended deadline (as outlined in any learning support agreements), and prior to any extenuating circumstances being considered.

8b.6.5.9 For assessments that are submitted late the following penalties will be applied by the Taught Programme Directors (TPDs).

- Assessments that are < 48 hours will be marked and graded using the full GP criteria and **1 grade point will be deducted**;
- Assessments that are over 48 hours late will not be accepted and the student will be required to submit a new assessment for the module the following year or a later year;
- Projects submitted over 48 hours late by students in their second year of the project will not be accepted and will count as an attempt. A zero grade will be awarded. The student will be required to re-submit their project as a resit.

8b.6.5.10 **Action by MOs – monitoring grades:** Grades entered via the AMS will flow through to the DL student database. The Distance Learning Team, within the Programme Administration Office will ensure systems allow MOs to be kept informed of provisional module marks as they come in over the course of the year, and/or to be able to review up-to-date lists of grades at any point.

- Unlike for Intensive programmes, DL MOs are not expected to conduct preliminary checks before students are sent their provisional grades. This is due to the large number of assignments involved, and the fact that these are marked and fed back to students as they come in rather than being held until a set point after the assignment deadline.
- It is considered good practice for MOs review samples of assessment feedback written by markers – particularly new markers – to assure its quality and consistency. This may be done before final agreed feedback is uploaded to the AMS and made available to students.

## LSHTM Academic Manual 2023-24

### Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations

- Provisional grades along with feedback is returned to students for assessed assignments. Students will not receive individual feedback on their performance in examinations.

8b.6.5.11 **Disseminating grades to students:** Students will be able to access their provisional grades and assessment feedback (as written by first-markers) via the AMS.

8b.6.5.12 All module marking should normally be completed, so that overall module grades are available for each student who has completed the necessary assessments, usually within 4-6 weeks of the last exam or hand-in deadline. All materials required for moderation should thus be available within three weeks of this date, and be forwarded to the relevant Moderator as soon as possible thereafter.

- Provisional grades along with feedback is returned to students for assessed assignments. Students will not receive individual feedback on their performance in time-limited assessment/examinations.

#### 8b.6.6 MODERATION PROCEDURE FOR DL MODULES

8b.6.6.1 **Action by Module Administrators –moderation material:** For each module, after all relevant work has been graded, the Programme Administrator or other appropriate member of PAO staff must **make available materials for moderation** to the Moderator (cc the MO, if they have not already seen a final list of provisional grades for the module).

- The [list of standard material](#) to be provided should serve as a checklist both for the Programme Administrator in making available the materials, and the Moderator on receiving them. Examples of all the materials on this list must be provided for moderation.
- Note that for DL modules, 'module grade sheets' normally take the form of Excel spreadsheets based on a download from the AMS; while the cover sheet with the sample of assessment scripts should usually give Student Numbers rather than Candidate Numbers (since the latter are only used for examinations in DL).

**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

- The Moderator may also request additional material from the Programme Administrator, either before or after receiving the standard set of materials. Should the Distance Learning Team within the Programme Administration Office have any difficulties in meeting such a request, the Programme Administration Manager should report back on this to the Moderator.

8b.6.6.2 **Action by Moderator:** The moderation process, namely scrutiny and confirmation by the Moderator, may be divided into five distinct tasks as follows:

Moderators should **review the distribution of grades** for the module. As outlined in the Code of Practice on Assessment, if this deviates significantly from other grade distributions at Programme or LSHTM level, this should be considered in more depth – to confirm that the marks given are indeed in line with LSHTM criteria. For comparative purposes, the Distance Learning Team within the Programme Administration Office should supply longitudinal data for the most recent five years, at least for the LSHTM as a whole.

More extensive information is also available from Head of Programme Administration on request, e.g. for individual modules or groups of modules.

- i) Moderators should also **review the sample of assessed work**. If there are any queries, or if grades are difficult to understand, Moderators may wish to discuss matters with the MO.
- ii) Moderators may recommend the re-marking and re-grading of the assessed work. Any re-marking must be equitable, and the work of all students who may have been similarly affected should be reviewed for potential re-marking, whilst ensuring that no student is disadvantaged by this process. However, it is not necessary to revisit all module grades if the issue identified will not affect all students. For modules, re-marking should normally be done by MOs in the first instance, or other marking staff designated by them in the second instance. The Moderator should consult with the MO to understand the actions taken before ratifying any re-marking.
- iii) Moderators should **affirm the appropriateness of the assessment task, the marking guidelines and the criteria used to award grades**. Matters to consider include:

**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

- Whether the assessment task was set at an appropriate level for a Master's award, as per the FHEQ.
  - Whether it appropriately assessed the learning objectives of the Module.
  - Whether the assessment task was of reasonable scope, expecting neither too much nor too little, and well-matched to the credit value of the module.
  - Whether instructions to students were consistent with the task and grading criteria, so as to give students a clear idea of what was expected in order to get a specific grade.
  - Whether marking guidelines were sufficiently clear to guide markers in determining a student's grade.
- iv) Moderators should then **complete and sign the [Moderator's Report form](#)** and return it to the appropriate TPD.
- For DL modules, moderation is intended to act as a quality assurance check on the consistency, standard and validity of marking – but note that it does *not* change the status of relevant grades from 'provisional' to 'confirmed'. **Module grades should not be confirmed prior to the Boards of Examiners.**
  - Since many DL modules are assessed through substantive module exams in addition to coursework, final module grades should only be confirmed at the Board of Examiners' meetings and may still be subject to alteration by the Board at that point. **Once grades have been confirmed by the designated Board of Examiners, they may not be subsequently altered by either this or any other Board.**

8b.6.6.3 **Moderation deadline:** As noted earlier, moderation is expected to be completed between the end of exam marking and Boards of Examiners sitting in July to ratify module grades, although coursework assignments may be moderated earlier.

- **The deadline for the completion of moderation for DL modules is a week prior to the Board of Examiners or pre-Board meeting, whichever is the earliest.**

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

**8b.6.7 REPORTING ON THE MODERATION PROCESS**

8b.6.7.1 **Action by Moderators:** Moderators should confirm completion of the process, and ratification of final grades, by means of their reports. Where possible, Moderators should attend relevant interim Board of Examiners' meetings. Moderators' reports do not need to have been countersigned by TPDs before being seen by Boards of Examiners.

8b.6.7.2 **Action by TPDs:** Once received from Moderators, the appropriate TPD for each module should countersign Moderator's Report forms – noting any specific issues for follow-up, signing, and returning the form to the relevant Module Administrator with a copy to the Exam Board Chair. The TPD should also follow up with the relevant MO and/or Exam Board Chair on any identified issues.

8b.6.7.3 **Monitoring by SPGTC:** TPDs should report back to the SPGTC regarding any issues identified in or followed up from Moderators' reports. This should normally be done via the 'Module Review Summary' which TPDs are asked to produce for SPGTC annually. SPGTC also considers analysis of grade distributions annually.

**8b.6.8 CONFIRMATION OF GRADES TO STUDENTS**

8b.6.8.1 **Grades for students registered on LSHTM programmes** (whether Intensive or DL) should be fed back to them directly after marking, as "provisional subject to final ratification by the Board of Examiners".

8b.6.8.2 **Grades for Module students** (i.e. those not registered on a formal or award-bearing LSHTM programme) should be treated as final following moderation, and fed back to them directly with their certificate of attendance. Procedures and record-keeping should, however, make allowance for cases of assessment irregularities or administrative errors subsequently being identified that might necessitate a revision to the mark.

## Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations

8b.6.8.3 **If provisional marks change** following moderation, for registered students, the changes may (at the discretion of the Moderator or the Exam Board Chair, and the MO) be fed back prior to the Board of Examiners confirming them – but still indicated as provisional, despite marks being unlikely to change again. Definitive marks should only be fed back after the Board of Examiners has confirmed them.

8b.6.8.4 **Final grades for inclusion in degree transcript or Diploma Supplement records** will be generated from master data held on SITS for London-based students, and held on a University of London Worldwide database for University of London Worldwide students.

### 8b.7 External Oversight

8b.7.1 The purpose of external oversight by an External Examiner is to give LSHTM confidence in the appropriateness and consistency of assessment process and assurance that standards are in line with the LSHTM's expectations. External Examiners may make recommendations to be discussed at to the Board of Examiners, especially relating to borderline cases.

8b.7.2 External Examiners will be provided with samples of exam scripts, assignments and projects, to review prior to the final Exam Board, along with grades sheet covering all candidates from the programme.

8b.7.3 For further information on the External Examining procedure for Distance Learning Programme see the University of London Worldwide website page: [About External Examiners](#)

### 8b.8 Boards of Examiners

8b.8.1 University of London Worldwide (UoLW) shall set up Boards of Examiners for each programme in consultation with LSHTM.

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

8b.8.2 Each Board shall include examiners who are not members of staff of LSHTM and UoLW. These External Examiners shall have regard to the totality of each degree programme and shall be involved and particularly influential in the decisions relating to the award of every degree. They shall report to UoLW and LSHTM each year, and shall comment specifically on the validity and integrity of the assessment process and the standard of student attainment.

8b.8.3 Each Board of Examiners shall refer to [LSHTM's Distance Learning Award Scheme and Programme Regulations](#) to ensure that assessment regulations and associated procedures have been carried out appropriately; with fairness, impartiality and transparency.

8b.8.4 The Board of Examiners will meet to confirm grades and determine progression at 2 point during the academic year to confirm module grades and ratify awards:

- July Board of Examiners meeting to consider and confirm module grades and recommendations for resits
- November Board of Examiners meeting to consider and confirm examination and project grades and to ratify final awards or, progression/resit recommendations.

8b.8.5 On occasion it may be appropriate for the Board of Examiners to consider exit awards via circulation and approved by Chair's Action.

8b.8.6 Report on Chair's action

- The Chair should note any grades confirmed or awards ratified by Chair's action since the last meeting, e.g. for candidates given a project extension or similar, such that their grades were not available at the last meeting but it was not appropriate to defer ratification.

8b.8.7 Assessment for each award or set of awards (relating to a programme) comes under the authority of a specific Exam Board. Oversight of module assessment also comes under the authority of specific nominated Exam Boards. Students' grades are confirmed and awards ratified at final Exam Board meetings annually.

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

8b.8.8 Each Board includes:

- An Exam Board Chair and Deputy Chair who co-ordinate activities;
- One or more External Examiners who help to provide specific external confirmation about academic standards and the rigour of assessment processes;
- Further Internal Examiners (staff members) who are involved in setting exam questions, marking all types of assessed work, and take part in final Board meetings.

8b.8.9 Assessors may be appointed to assist Exam Boards in the setting, conducting and marking of assessments. They are not Exam Board members and cannot confirm grades or ratify awards.

### **General Appointment Criteria**

8b.8.10 The Chair, Deputy Chair and Internal Examiners should be members of LSHTM staff, including honorary staff. The Director, Faculty Deans, Pro-Director of Education, Associate Deans of Education and Faculty Taught Programme Directors (TPDs) cannot serve as Chair, Deputy Chair or Internal Examiners.

8b.8.11 Staff should normally only hold one appointment as an Exam Board Chair at any given time unless there are good reasons (e.g. chairing several Exam Boards in parallel due to strong academic linkages). Exam Boards will usually be set up so that linked qualifications are covered by a single Board.

8b.8.12 Staff may serve as Internal Examiners of multiple Exam Boards at the same time.

8b.8.13 The number of examiners appointed to an Exam Board, including External Examiners, should be at least the minimum sufficient to set, manage and scrutinise the relevant assessments efficiently.

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

8b.8.14 Appointments of External Examiners must conform to the criteria given in the External Examiner Appointment Criteria given in [Chapter 5, External Expertise of the LSHTM Academic Manual](#).

### **Conflict of Interest**

8b.8.15 Any Exam Board member (including Chairs and External Examiners), Assessor, or other member of staff or persons contracted to work in any way with LSHTM assessment or Exam Board processes must advise the Head of LSHTM Registry and UoLW of any conflict(s) of interest in this regard, as soon as they become aware of any conflict.

8b.8.16 Conflicts of interest would include having a family or personal relationship with any candidate on a Programme with which staff may be involved; being simultaneously employed or contracted by LSHTM and registered part-time for a Programme assessed via LSHTM; etc.

8b.8.17 Detailed criteria regarding conflicts of interest in External Examiner appointments are set out in [Chapter 5 of the LSHTM Academic Manual](#) or can be referred to UoLW.

8b.8.18 If a declaration is made, the Head of Registry or UoLW will decide upon reasonable action to take in consultation with those involved. Records will show only that a declaration has been made and the action taken but not the details.

### **Periods of Appointment**

8b.8.19 LSHTM Board of Examiners Chairs and Deputy Chairs will be appointed for four consecutive academic years. Where possible appointment to these roles should be staggered to maintain a level of continuity at the Board of Examiners.

8b.8.20 Appointment of Chairs and Deputy Chairs normally start in September and end in December on the 4<sup>th</sup> year after the Board of Examiners

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

meeting. Internal examiner roles may remain valid until a replacement is appointed.

8b.8.21 Chairs and Deputy Chairs will be appointed for four consecutive academic years. In exceptional cases tenure may be extended for one further academic year providing a rationale is found acceptable by the Senate Postgraduate Taught Committee (SPGTC). This is in alignment with the length of an External Examiner tenure, however, where possible these three roles should be staggered to maintain a level of continuity at the Board of Examiners.

### **Appointment and Approval Procedure**

8b.8.22 Re/approving Membership: The Board of Examiners membership must be submitted to the Senate Postgraduate Taught Committee SPGTC and UoLW for approval; if no nominations are received, the previous year's membership list will be put forward by the Assessments Manager for re-approval.

8b.8.23 Membership of the Board of Examiners for the following year is discussed at the final meeting of the academic year. This should include the nomination of a new Chair and Deputy if required. Nominations will be recorded in the minutes by the Exam Board Secretary and confirmed by the Chair after the meeting. The Chair will undertake any follow up work as directed by the Board of Examiners which may include making additional nominations for new Internal Examiners or External Examiners.

8b.8.24 New internal members: Following the final Board of Examiners the Secretary to the Board will forward nominations for the internal membership to the Assessments Manger (Registry). The Assessments Manager will prompt where necessary to ensure this is done.

- The list of nominations must be endorsed by the Dean of Faculty before being submitted for approval;
- The list of nominations should be submitted to SPGTC and UoL for approval, however, it may be appropriate to request Chair's Action to ensure a timely approval;

## LSHTM Academic Manual 2023-24

### Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations

- The secretary for SPGTC will send formal notification to any new Exam Board Chairs (on behalf of the Chair of SPGTC), with appropriate further guidance and information;

8b.8.25 New External Examiners: The Exam Board Chair should be mindful of the External Examiner's tenure and be proactive in sourcing replacements. The appointment procedure for prospective External Examiners is set out in [Chapter 5 of the LSHTM Academic Manual](#). The Exam Board Chair may require support from the Programme Director and Dean of Faculty in this procedure and it is recommended that any nominees are approached informally in the first instance.

8b.8.26 The Quality & Academic Standards office have oversight of the nomination, approval and appointment procedure for External Examiners (for more information please see [Chapter 5 of the LSHTM Academic Manual](#));

8b.8.27 Note on endorsing and approving nominations; the following must be scrutinised:

- Whether the proposed members of the Exam Board, including Chairs and External Examiners, are academically appropriate and competent to examine the programme, in terms of the subject area and the level of the qualifications concerned (consistent with the national Framework for Higher Education Qualifications), and the responsibilities entailed;
- Whether nominations of new External Examiners fulfil the Appointment Criteria;
- Whether the proposed membership is consistent with the standard Constitution for Exam Boards;
- The length of time that each Chair and External Examiner has already served in their role, and whether any one-year extensions are warranted.

8b.8.28 The Assessment Manager will confirm full membership lists to each Exam Board Chair and Secretary plus Faculty TPDs; and send out links to

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

the [Assessment and Exam Board Handbook](#) to all staff involved in examinations processes.

8b.8.29 Confirmation that all Boards have been appointed should be reported to the next meetings of SPGTC and Senate, noting that External Examiner appointments meet all the criteria set out in the Appointment Criteria.

### **Updates to Exam Board Membership in-year**

8b.8.30 Changes to Exam Board membership may occur during the year as staff join or leave LSHTM or their commitments changes. Ex-officio members shall cease to be members on vacation of the relevant office.

8b.8.31 The Assessment Manager (Registry) must be informed immediately whenever membership changes are prompted or proposed. This will be the responsibility of the Exam Board Chair or Faculty TPD.

8b.8.32 The appointment of External Examiners and internal members is approved as per the procedure set out in paragraph in paragraphs 8b.8.25 or 8b.8.27 respectively. This is reported to the summer meeting of SPGTC. Amendments after this point are discouraged but may be approved by Chair's Action in exceptional circumstances

### **8b.9 Decisions of the Board of Examiners**

8b.9.1 The Board of Examiners review and confirm candidates' grades and ratify final degree awards based on the agreed Award Scheme for each programme.

8b.9.2 To be eligible for the award of a taught Master's degree, Postgraduate Diploma or Postgraduate Certificate, a student must, within the maximum period of registration, pass degree elements amounting to at least the minimum number of credits specified below.

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

8b.9.3 The Board will:

- i. Receive confirmation that module grades have been moderated.
- ii. Receive confirmation that External Examiners have reviewed sample exam and project work, as well as sample module work. Associated External Examiner Forms may be tabled.
- iii. Review any relevant data on grade distributions, which may further inform any decisions about scaling of grades.
- iv. Confirm all relevant grades not previously confirmed.
- v. Note any penalties to grades as reported to the Board of Examiners and in accordance with the penalty regulations in section 8b.9.9.
- vi. Follow the rules on Compensation in section 8b.9.8 of this chapter

8b.9.4 Review and ratification of awards

- i. The grades sheet will include a provisional list of distinctions, merits, passes and fails for the degree(s) overall, determined according to the Taught Programme Regulations. Further to this:
- ii. The Chair and External Examiner(s) should recommend final classifications for candidates in a borderline range. Reasons should be given and recorded, and be ratified by the full Board.
- iii. The Board should decide on any candidates to be awarded a prize in line with set criteria for each prize.

8b.9.5 The number of credits that must be obtained to achieve each award is outlined in Table 5.

**Table 5: Number of credits required for an award**

<b>Award</b>	<b>Number of credits required</b>
Postgraduate Certificate	60
Postgraduate Diploma	120
MSc	180

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

8b.9.6 For an award to be made, credits must be gained from an approved list of required components. These are listed in the detailed Programme Regulations.

8b.9.7 Where a student has gained more than the requisite amount of credits for an award, the set of components with the best grades should normally be included in the final award GPA.

8b.9.8. The final award classification should then be determined as outlined in Table 7:

**8b.9.7 Final award classification rules**

8b.9.7.1 Where all elements of an award have been completed and any compensation rules applied, an 'award GPA' should be calculated to assess eligibility for an award with distinction or merit. The relevant formulae for different programmes and awards are outlined in Chapter 2 Academic Manual Award Schemes. :

**Table 7: Determination of final award classification**

Award GPA	Classification
<b>2.00 - 3.84</b>	Pass
<b>3.85 - 4.29</b>	Merit
<b>4.30 - 5.00</b>	Distinction

**8b.9.7.2 Exit awards on expiry of registration**

8b.9.7.3 If a student's registration expires and is not renewed before they have completed the award they initially registered for, the Exam Board should consider whether they satisfy the requirements for an alternative award (e.g. a PGDip or PGCert) and award this accordingly.

8b.9.7.4 Progression rules governing how and when students may proceed through different stages of their programme and be given permission to

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

study further or elective modules, or transfer to another award within the programme, are set out in the Detailed Regulations.

### **8b.9.8 Compensation**

8b.9.8.1 Consideration of compensation for a failed Module requires that the overall Learning Outcomes of the Programme have been met. Where compensation arrangements are permitted, these are detailed below and will be applied in accordance with any Professional, Statutory or Regulatory Body (PSRB) requirement.

8b.9.8.2 Compensation can only be awarded by a Board of Examiners and must be applied within the limits and conditions as stated below:

8b.9.8.3 While credit is normally given for successful completion of award components with a grade of 2.00 or above, credit may also under certain very limited circumstances be given where a grade between 1.00 and 1.99 is obtained. This is known as compensation. Compensation requires that the student achieves higher grades across a designated range of other modules and award components so as to 'compensate' a poorer grade.

8b.9.8.4 If a student receives grades between 1.00 and 1.99 for modules other than the uncompensatable modules listed in paragraph 8b.4.31 above, these may be treated as 'compensatable' until sufficient other modules or award components have been taken.

8b.9.8.5 Students may choose to resit any failed but compensatable module(s) or element(s), as described in section 8b.9.11 below.

### **8b.9.10 Deferred Assessments and Extensions**

8b.9.10.1 Students will be clearly notified of extension and deferred assessment requirements or options, being given suitable advance notice of key dates and deadlines.

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

**8b.9.11 Re-sits of Assessments**

8b.9.11.1 If a student fails to gain credits for a particular award component on the first attempt (after applying the rules in paragraphs 8b.4.28 to 8b.4.33 and section 8b.9.8 above), they will be permitted one further attempt, as a 'resit'. Only failed elements of failed award components, i.e. those with GPA below 2.00, may be re-sat – as determined by the Exam Board. Where a component has a single assessment which is not divided into further elements (e.g. as is generally the case for projects), this component must be re-sat as a whole. Where any element has been re-sat, the overall component GPA will be capped to 3.00 – although a higher GPA may be achieved, and reported back to the student, for the specific elements which have been re-sat.

8b.9.11.2 Where an elective component is failed once, the student may choose not to resit and instead register for (and pay for) a substitute elective component, provided further choices remain available. Only three elective modules may be changed in this way. The substitute component is not considered to be a resit and the standard number of attempts will be permitted.

8b.9.11.3 Determination of awards may include compensation of failed modules, as described in section 8b.9.8 above. Provided sufficient credit has been achieved to make an award, any additional modules which have been taken and failed will not affect or be included in the final award calculation.

8b.9.11.4 If a student fails to gain credits for a required award component on the second attempt, they will be ineligible for the award and will be withdrawn from the programme. However, the student will retain credits for components which have otherwise been passed or appropriately compensated. If the components they have completed to date (excluding the twice-failed component) satisfy the requirements for an alternative award, then their eligibility for the alternative may be assessed, with any compensation re-calculated. The student may then exit the programme with this alternative award, as outlined in Table 10:

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

- 8b.9.11.5 The right to re-sit/resubmit an assessment will be subject to the agreement of the Board of Examiners of LSHTM. Students will receive notification from UoLW.
- 8b.9.11.6 For distance learning (DL) programmes, the re-sits regulations should also be consistent with the requirements of the University of London Worldwide [Guidelines for Examinations](#).
- 8b.9.11.7 Re-sit/resubmission will normally take place at the next available opportunity. This may vary depending on the nature of the task (e.g. coursework or exam), and the type and mode of provision.
- 8b.9.11.8 Students will be clearly notified of re-sit requirements or options, being given suitable advance notice of key dates and deadlines. Students who have options about what or when to re-sit may receive guidance on this from relevant staff.
- 8b.9.11.9 Assessments which have been passed may not be re-sat. Students may not re-sit/resubmit an assessment element (whatever its mark) if they have passed the programme overall.
- 8b.9.11.10 Students taking a re-sit/resubmission assessment shall be bound by the regulations which were in force at the time of the first attempt of the assessment.
- 8b.9.11.11 The resit/resubmission will be marked using the full GP range. Grades will be reconciled in line with standard double-marking practice and timescales.
- 8b.9.11.12 The Board of Examiners will consider and ratify resit/resubmission assessments at the next meeting or Chair's Action may be taken to ratify any final awards to students. External Examiners should have the opportunity to participate in this

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

**8b.9.11.13 Registration Periods:**

The minimum and maximum periods of registration to complete the programme from the student's effective date of registration are:

<b>Degree</b>	<b>Minimum</b>	<b>Maximum</b>
MSc	Two years	Five years
PG Dip	Two years	Five years
PG Cert	One year	Five years
Individual credit bearing module	One year	Two years

8b.9.11.14 Re-sit regulations should apply to all forms of summative assessment, i.e. which counts towards an award or credit. It is not intended to be applicable for formative assessment undertaken purely for learning purposes, for which re-sits will not normally be allowed. However, students who fail formative assessments may be asked to undertake further progress tests in line with LSHTM's withdrawal procedure.

8b.9.11.15 Determination of re-sit requirements should be conducted with reference to both these re-sits regulations and the specific rules set out for individual programmes in Award Schemes. Specific task requirements and operational arrangements for conducting re-sits may be agreed by individual Exam Boards or Programme Committees (for assessments under their authority), and communicated to students via programme handbooks, module specifications and similar.

8b.9.11.16 For joint programmes, the relevant Award Scheme will determine when re-sits are required or permissible, which may differ from the standard LSHTM rules set out in the re-sit regulations. However, re-sits of any LSHTM elements of provision (e.g. modules run by LSHTM) should operate in accordance with the re-sit regulations, save where rules for individual joint programmes specify otherwise.

**LSHTM Academic Manual 2023-24**  
**Chapter 8b: Distance Learning Postgraduate Taught Degree Academic Regulations**

**TIMING AND CONDUCT OF RESITS**

8b.9.11.17 Whether a re-sit is required, when it is scheduled and what it entails doing may vary depending on the nature of the task and the type of provision – e.g. the standard timing and structure of assessment differs between Intensive and DL modes of study, entailing similar differences for re-sits. Re-sits will largely be scheduled as follows:

- **For DL modules:** students who need to re-sit should do so in a subsequent year, attempting the same standard paper/task as that year's cohort – i.e. either submitting coursework by the annual deadline or sitting relevant formal unseen written exams in the summer (typically June). A resit fee is payable to the University, and exam hall fees will apply for written exams.
- **For DL projects:** depending on the recommendation of the Exam Board, re-sits may require both 'revision and resubmission' within a timescale determined by the Board of Examiners, or extensive new work for submission by the following year's standard project deadline.

8b.9.11.18 Note that new or first attempts at assessments following extenuating circumstances or deferrals will be scheduled on the same basis.

8b.9.11.19 All coursework-type re-sit tasks and project re-sits must be submitted via the DL Assignment Management System

- **For all DL module coursework** re-sits or project re-sits, standard submission criteria and arrangements will apply.
